

**Position Title: Full-Time Tent Installation**  
**Party & Events Industry & Construction/General Tool Industry**  
**Location - Corpus Christi, TX**

Our company: Rental World is the largest full-service event rental and design company in the Rio Grande Valley area. We design and deliver rentals for corporate events, weddings, festivals, trade shows and more. Ours is a fast-paced, creative and collaborative company, where we have fun and work hard.

The position: The tenting supervisor will oversee the set-up and dismantling, upkeep, planning, and organization of all tent rentals; ranging from small to extra-large in size.

**Position Tasks & Activities:**

- Supervise and assist the tenting and installation crews
- Oversee all shipping and receiving for the tent department
- Determine final tent plan(s) per location/event
- Oversee and assist with the organization and cleanliness of tents, accessories, and equipment
- Supervise the process of all products being unloaded, counted, and returned to inventory
- Work with the Store Manager to secure any necessary fire and/or local permits
- Conduct training programs for new and current employees
- Report any concerns or violations regarding safety both within the warehouse and on the job sites
- Represent the tenting department in all management and safety meetings
- Perform other duties as requested.

**Nature of the Work:**

Must service customers in a polite, friendly and professional manner. May be required to assist customers with reservations, contracts, questions, register transactions and order adjustments if necessary.

**Education, Skills & Requirements:**

- 3-5 years' experience working with tents required
- Strong interpersonal and leadership skills required
- Strong focus on accountability and logistics required
- Must be able to use mathematics to solve problems
- Must be able to speak English clearly and write legibly.
- Must maintain an acceptable attendance record
- Maintain a cooperative working relationship with co-workers
- Must be able to maintain a high degree of patience

Rental World

- Advanced knowledge of tenting with a minimum of two years of related experience
- The ability to lift 70lbs, have a full range of motion and dexterity, and complete work in all weather conditions
- Solid computer skills and experience working with contracts
- Must have the ability to offer constructive criticism in a positive manner
- The ability to make recommendations regarding next steps for the tenting department, including improving efficiency and organization
- Valid driver's license
- Pass an administered drug test and background check
